Art Unit: 3676

1. The communications or reponse filed on May 21, 2007 is not fully responsive to the prior Office action. The Amendment and Declaration filed May 21, 2007 fail to comply with the requirement set forth in Item II, 1. of the DECISION TO MERGE REEXAMINATION AND REISSUE PROCEEDINGS, dated November 28, 200, wherein the patent owner must maintain identical amendments in the the reissue and the reexamination files for purposes of the merged proceedings. Accordingly, the patent owner must submit corresponding copies of both the said amendment and declaration for entry into the reexamination files (such papers have currently been scanned into the reissue file). The response appears to be bona fide, but through an apparent oversight or inadvertence, consideration of some mater or compliance with some requirements has been omitted. Patent owner is required to deal with the omission to thereby provide a full response to the prior Office action.

2. A shortened statutory period for response to this letter is set to expire ONE MONTH, or THIRTY DAYS, whichever is longer, from the mailing date of this letter. If patent owner fails to timely deal with the omission and thereby provide a full response to the prior Office action, the present reexamination proceeding will be terminated (37 CFR 1.550(d)).
